

**FREE** WEBINAR WITH LIVE Q&A

Tuesday 8th August 2023 12.30-1.30pm (AEST)

# Hospital Acquired Malnutrition:

## What does it mean for you?

Malnutrition in the acute hospital setting is now well established. Patients may be malnourished on admission or develop malnutrition while in hospital. During this webinar, A/Professor Sharon Carey will introduce Hospital Acquired Malnutrition (HAM) and how individuals can be identified in the hospital setting. She will deep dive into the importance of documentation, explore the main reasons for HAM and the requirements for reporting.
